

When you need health information  
fast, go to the NGS CoreSource  
HealthCenter for answers.

HealthCenter 

**The NGS CoreSource HealthCenter provides  
online tools to help you make important  
healthcare decisions quickly and easily.**

Available 24 hours a day, seven days a week, the  
NGS CoreSource HealthCenter is there when you  
need it!

- :: Assess your own health with a Health Risk  
Assessment (HRA).
- :: Make real change by using logs, calculators  
and trackers.
- :: Find information on more than 200 self-care  
topics through our Family Health Guide.
- :: Securely store your health profile and your medical  
history and information
- :: And much more!

**Access your personal HealthCenter account at:**
